

## Ohio Administrative Code Rule 3301-17-07 Reporting.

Effective: [May 9, 2024](#)

---

Any time the department of education and workforce takes an action against a reporting entity under division (L)(2) of section 3301.0714 of the Revised Code, the department will make a report of the circumstances that prompted the action and maintain a copy in its files. Notwithstanding the notification provided for in paragraph (C) of rule 3301-17-06 of the Administrative Code, the department will send a copy of the report to the superintendent or chief administrator of the reporting entity within thirty days of issuance of the report and before the department withholds any funding.
