

Ohio Administrative Code

Rule 3301-24-27 Early college high school educator license.

Effective: April 25, 2019

(A) The non-renewable initial four-year early college high school educator license, valid for teaching grades seven through twelve at an early college high school as described in section 3313.6013 of the Revised Code, shall be issued at the request of the superintendent or governing authority of a school designated as an early college high school to an individual who is deemed to be of good moral character and who meets the criteria specified in division (A) of section 3319.262 of the Revised Code.

(B) Upon successful completion of the requirements specified in division (B) of section 3319.262 of the Revised Code, an individual holding an initial four-year early college high school educator license may apply for a five-year professional license, in the same subject area named in the initial license. A five-year professional license shall be valid for teaching grades seven through twelve in the same subject area named in the initial license.
