

## Ohio Administrative Code

### Rule 3301-45-07 Process to earn a high school diploma.

Effective: December 24, 2020

---

- (A) Providers are required to complete and maintain a credit recovery plan for each participant in the application that outlines the courses and assessments needed to complete all requirements for a diploma.
- (B) The applicable graduation requirements for a participant's credit recovery plan are those that were in place for the state of Ohio at the time the participant first entered the ninth grade.
- (C) A diploma shall be awarded to a participant who:
- (1) Earns high school credit as outlined in section 3313.603 of the Revised Code;
  - (2) Satisfies the applicable testing requirements as outlined in section 3313.614 of the Revised Code; and
  - (3) The department will determine an acceptable alternate assessment if an assessment is no longer available.
- (D) The provider shall have in place progress benchmarks, established within the individual student success plan, to monitor each participant's advancement toward completing a high school diploma and becoming career ready.
- (E) In consultation with the department, providers may award appropriate prior learning credit using educational options for work-based learning experiences prior to enrolling the student in the twenty-two plus program.
- (F) No reimbursement shall be granted for prior learning credit.
-
