

Ohio Administrative Code

Rule 3301-45-10 Standards for competency-based education.

Effective: December 24, 2020

The following are minimum competency-based education standards for providers of the twenty-two program:

- (A) Make programming accessible to all students and applied equitably to all students;
 - (B) Identify expectations reflecting the explicit and measurable learning objectives, knowledge and skills for each course;
 - (C) Include intentionally designed and engaged participant experiences;
 - (D) Allow participants to receive timely and meaningful supports based on individual needs;
 - (E) Allow participants to advance at their own pace upon demonstration of mastery of skills;
 - (F) Clearly define the criteria for awarding credit and/or grades.
-
