

Ohio Administrative Code

Rule 3301-61-17 Emergency service telecommunicator training.

Effective: February 15, 2018

(A) The state superintendent of public instruction may appoint the Ohio standards and training public-safety communications joint task force, an advisory committee composed of representatives of public-safety communications and other interested persons as required by division (A) of section 4742.02 of the Revised Code to:

(1) Develop and approve curriculum for a basic course of emergency service telecommunicator training as required by section 4742.03 of the Revised Code;

(2) Develop and approve curriculum for continuing education coursework in emergency service telecommunicator training as required by section 4742.03 of the Revised Code;

(3) Develop standards and examinations to be used in the program to certify that a person has successfully completed a basic course, or continuing education coursework in emergency service telecommunicator training; and

(4) Review and consider whether proposed course or coursework meets the requirements of division (A) or (B) of section 4742.03 of the Revised Code concerning course length and content.
