

Ohio Administrative Code Rule 3304-2-57 Restoration.

Effective: December 27, 2013

(A) Restoration services are provided to correct or substantially modify within a reasonable period of time, a physical or mental condition that constitutes a substantial impediment to employment.

Restoration services shall be provided only if the condition is stable or slowly progressive; or if the condition is not stable or slowly progressive, only when the restoration is provided under trial work experiences.

(B) OOD shall not provide the following restoration services:

(1) Abortion;

(2) Experimental surgery and/or medical equipment;

(3) Sterilization;

(4) Transplants of vital organs other than kidneys; or

(5) Transsexual surgery or any ancillary procedures associated with, or leading up to such surgery.

(C) This rule is designed to implement "Title IV of the Workforce Investment Act," which contains the 1998 amendments to "The Rehabilitation Act of 1973," and resulting regulations.
