

## Ohio Administrative Code

### Rule 3335-23-21 Administrative disenrollment and other restrictions.

Effective: December 3, 2025

---

(A) A student may be disenrolled from the university; prohibited from all or any portion of university premises, university-related activities or registered student organization activities; and/or permitted to remain only under specified conditions when the vice president for student life or designee finds that there is clear and convincing evidence that the student's continued presence poses a significant risk of substantial harm to the health or safety of themselves, others, or to property.

(B) In those cases under paragraph (A) of this rule in which it appears that the risk posed by the student is a result of a health condition or a disability as defined by the Americans with Disabilities Act, the vice president for student life or designee shall also determine whether the risk or disruption can be eliminated or sufficiently reduced through reasonable accommodation and, if so, shall take appropriate steps to ensure that accommodation is made. The vice president for student life or designee may request the student to undergo an appropriate examination, as specified by the vice president for student life or designee, to determine whether any such condition exists and whether any such accommodation is possible. If the student fails to undergo such an examination, and if the other available evidence supports a finding under paragraph (A) of this rule, the vice president for student life or designee shall, to the extent reasonably possible, take the least restrictive measure or combination of measures necessary to resolve the risk or disruption.

(C) A student who has been disenrolled; prohibited from university premises, university-related activities or registered student organization activities; or permitted to remain only under specified conditions may petition the vice president for student life for revision of that status. The petition must include supporting documentation or evidence that:

(1) The conditions found to have existed under paragraph (A) of this rule no longer exist and will not recur, and

(2) The student meets all normal and appropriate standards for admission and enrollment in any academic unit in which the student seeks to re-enroll. Upon receipt of such a petition, the vice

The vice president for student life or designee may deny the petition, grant the petition in whole or in part under specified conditions, or grant the petition in whole or in part under specified conditions, or grant the petition in whole or in part without condition.
