

Ohio Administrative Code Rule 3335-5-30 Powers and functions.

Effective: September 3, 2008

The graduate faculty shall have the following general powers and functions:

- (A) To initiate and to act upon any question affecting the policies of the graduate school or to request consideration and action by the graduate council.

 - (B) To receive the annual report of the dean of the graduate school and such other reports as the dean shall submit.

 - (C) To perform the functions approved by the graduate council.
-
