

Ohio Administrative Code

Rule 3335-93-03 Relationship of the university Wexner medical center board to the health sciences academic programs.

Effective: June 2, 2026

The health sciences schools and colleges of the university carry out a significant portion of their educational and research activity in facilities of the university Wexner medical center. The university board of trustees shall have exclusive governing authority over the academic and research programs of the university Wexner medical center, including the college of medicine, the planning, administration, and operations of the health sciences schools and colleges and all other educational and research institutes, centers, and programs. The university Wexner medical center board shall lend its best efforts to assure that the programs of the health sciences colleges are effectively supported in collaboration with the university Wexner medical center's patient care programs. The executive vice president and chief executive officer shall be charged with maintaining an effective liaison between the health sciences colleges and the university Wexner medical center board to assure excellence in both academic and patient care programs.
