

Ohio Administrative Code

Rule 3342-4-11.601 Operational procedures and regulations regarding the scheduling of fireworks and bonfires.

Effective: November 1, 2016

(A) Purpose. Fireworks and bonfires must be registered with the scheduling office.

(B) Procedure.

(1) The scheduling office will inform the campus security, plant maintenance and campus safety offices as well as the Kent city fire department of such events.

(2) Registration for bonfires includes a request for a permit from the Akron area environmental protection agency, a process which takes approximately one month. No bonfire will be approved for which this permit and the necessary city approval have not been received.

(3) Registration of fireworks requires permission of the Kent city fire department
