

Ohio Administrative Code

Rule 3342-7-02.2 Administrative policy regarding protection of university funds.

Effective: [April 26, 2026](#)

- (A) The university's cashiering department is responsible for creating, maintaining, enforcing, and disseminating operational procedures for the collection and safeguarding of university funds.

- (B) All university departments, employees, and agents authorized to collect funds on behalf of the university shall comply with the operational procedures developed and maintained by the cashiering department pursuant to paragraph (A) of this policy.
