

Ohio Administrative Code Rule 3344-65-28 Purchasing card.

Effective: October 10, 2016

- (A) Purchasing services and users authorized by the controller have the authority to use a university purchasing card or power card to pay vendors.

 - (B) The controller shall develop rules related to purchasing cards that govern which employees are authorized to use purchasing cards and how credit limits are established.

 - (C) University purchasing cards may not be used to make cash withdrawals, nor may they be used for personal purchases.

 - (D) Violations of the rules related to purchasing cards may lead to discipline up to and including termination of employment.
-
