

Ohio Administrative Code Rule 3344-79-01 Animals on campus.

Effective: June 4, 2016

(A) Animals and animal pets are generally not permitted within Cleveland state university buildings or vehicles. The exceptions to this prohibition are:

(1) Animals used in current teaching, research, and clinical activities, or other university-sponsored programs or activities whether the presence of an animal(s) is approved by the office of environmental health and safety;

(2) Service animals assisting people with disabilities or animals being trained for such a purpose;

(3) Animals in residence halls who have been approved as an assistance animal per a disability accommodation; and

(4) Animals authorized by law (e.g. patrol dogs accompanying police or security officers).

(B) All dogs in outside areas must be leashed in accordance with Ohio leash laws. Owners must properly dispose of animal waste. Leashed animals must not be left unattended and must not be tied to trees, railings, or similar immovable objects.
