

Ohio Administrative Code Rule 3349-7-65 Garnishment of wages.

Effective: October 28, 2010

(A) Purpose

To guide the university in abiding by court ordered garnishments.

(B) Scope

This rule applies to all university employees, including but not limited to faculty, administrative staff, unclassified hourly employees, classified civil service employees, and student employees.

(C) Definitions

(1) Consult rule 3349-7-01 of the Administrative Code.

(2) "Garnishment" is an order issued by a court attaching an employee's earnings to satisfy a debt incurred by the employee.

(D) Rule statement

The university will comply with all lawful court orders respecting garnishments. Payments in compliance with applicable child support laws are not considered a garnishment. More than one garnishment in a twelve month period may subject the employee to discipline, up to and including result in discharge from the university.
