(B) Scope

This rule applies to all classified civil service employees.

(C) Definitions

(1) Consult rule 3349-7-01 of the Administrative Code.

(D) Rule statement

(1) If a classified civil service employee will be subject to removal, reduction in pay or position, suspension of twenty-four or more work hours made for one or more of the statutory reasons enumerated in section 124.34 of the Revised Code, the employee shall be notified in writing, on a form provided by the director of administrative services or an equivalent form.

(a) The form shall state the statutory reason(s) for the action, and the effective date thereof;

(b) This form shall advise the employee of the right to appeal; and

(2) At the appointing authority's discretion, an employee may be demoted as a form of progressive discipline. A demotion shall only be imposed as an alternative to termination.
