Ohio Administrative Code

Rule 3357:15-14-19 Pay during emergency school closures.

Effective: February 22, 2015

This policy applies when the college is closed or any of its locations are closed for a protracted period of time (e.g. twenty-four hours) due to an event beyond its control. If only one area or location of the college is affected then this policy applies only to employees scheduled to work in that area or location.
