

Ohio Administrative Code Rule 3357:3-3-06 Facilities use.

Effective: September 11, 2020

The following policies of the college are established:

(A) Purpose. As a publicly-supported institution of higher education, central Ohio technical college is responsible to its students and taxpayers for the appropriate and effective use of its facilities. The college shall allocate these resources for college and community functions that advance the college's mission. No person or organization shall be excluded from rental or use of college facilities for reasons of race, ethnicity, gender, religion, ancestry, nationality, sexual orientation, age, disability, veteran status, or other impermissible basis.

(B) Use of the facilities, at a reasonable cost, is permitted provided space is available.

(C) Users of college facilities that are unaffiliated with the college may use the college's name only for reference to event location unless written approval for its use in some other way has been expressly granted by the president or designee.

The president or designee is authorized by the board of trustees to establish policies to implement these policies.
