

Ohio Administrative Code Rule 3358:5-1-11 Governance commitment.

Effective: March 18, 2015

(A) The board, on behalf of residents of the Clark state community college service area, will exercise its statutory authority to assure that Clark state community college fulfills its mission. It will do this by leading Clark state community college with a strategic perspective, rigorously attending to its leadership role and the continuous improvement of its capability as a body to define values and vision.

(B) As the responsible governing authority, the board of trustees will conduct itself so as to:

- (1) Demonstrate a spirit of collaboration and mutual purpose in advancing the mission of the college;
 - (2) Serve as a unified and harmonious voice in promoting the colleges purpose and vision; and
 - (3) Serve as an informed representative of the interests of the people of its service area.
