

Ohio Administrative Code Rule 3358:5-7-07 Admissions policy.

Effective: [October 14, 2022](#)

(A) Clark state college is committed to providing each student with the maximum opportunity to develop and learn. As such, we adhere to an open admissions policy.

(B) Admission to the college is offered to all applicants who are high school transcribed graduates or possess GED equivalent, to applicants at least eighteen years of age who have met the established placement testing score or equivalent ACT or SAT scores, and to applicants eligible to participate in the various special programs offered at the college.

(C) Admission to the college does not ensure admission to a particular program of study. Some academic programs have established additional requirements that must be fulfilled prior to acceptance. All prospective applicants are encouraged to contact the admissions office for specific information.

(D) For some students, additional coursework in science, mathematics, and english may be needed prior to enrollment in certain courses and programs. Such coursework is determined through a review of a student's past academic record or through a placement test.

(E) Clark state admits students in the following enrollment categories:

(1) High school students seeking to enroll in the college credit plus program.

(2) High school students seeking to enroll at Clark state while in high school but who are not enrolled in the college credit plus program.

(3) High school graduates and adults who possess GED equivalency and have no prior college experience.

(4) Non high school graduates without a GED over eighteen years of age who have met the

established placement testing scores.

(5) Students transferring to Clark state who have attended or are attending another college.

(6) International student admission.

(7) Mature citizens program for residents of Ohio.

(F) Students shall be considered officially admitted when a completed admissions application is entered into the college's data system.
