

Ohio Administrative Code

Rule 3361:60-5-01 Management control: responsibility for property of the university.

Effective: November 13, 2006

Consistent with rule 3361:10-5-07 of the Administrative Code which states that the vice president for finance shall provide for the maintenance and control of university property and inventory, the vice president for finance shall promulgate policies and procedures necessary to assure that proper maintenance and control is maintained.
