

Ohio Administrative Code

Rule 3701-18-19 Physical facilities requirements for train-the-trainer programs.

Effective: November 24, 2022

The physical facilities that an approved train-the-trainer program uses for the classroom instruction and training skills practice shall meet the following requirements:

- (A) The facilities shall provide adequate space to accommodate all participants.
 - (B) The facilities shall be clean and safe and shall meet applicable state and local building and fire code requirements.
 - (C) The facilities shall have adequate lighting and comfortable temperatures.
 - (D) The facilities shall be equipped adequately with audio-visual equipment, computers or similar technology, and other teaching aids appropriate for a TTT program.
-
