

## Ohio Administrative Code Rule 3701-19-44 Medical social services.

Effective: December 26, 2013

---

(A) Each pediatric respite care program shall make medical social services available to each patient and his or her family as needed. Medical social services shall be provided by a social worker under the direction of a physician.

(B) The medical social service needs of each pediatric respite patient and his or her family shall be considered in conjunction with other services when the interdisciplinary team reviews the patient's and family's status.

(C) Medical social services shall be provided in a timely manner in accordance with pediatric respite care program's policy.
