

Ohio Administrative Code Rule 3701-21-22 Food choking.

Effective: September 1, 2024

(A) The director of health will provide standards detailing first aid techniques designed and intended for use by a person without medical training in removing food which has become lodged in the throat of a choking victim.

(B) The food service operation will ensure that the standards are readily accessible to the public and the employees of the food service operation.
