

Ohio Administrative Code

Rule 3701-22-52 Quality assessment and performance improvement program - pediatric intensive care service.

Effective: August 31, 2025

Each PICU will have a multidisciplinary collaborative quality assessment and performance improvement program. The written quality assessment and performance improvement program plan required under rule 3701-22-07 of the Administrative Code will, at a minimum, include a review of:

- (A) All morbidity and mortality instances;
 - (B) Utilization;
 - (C) Medical records;
 - (D) Discharge criteria and discharge planning; and
 - (E) Patient safety.
-
