

## Ohio Administrative Code Rule 3701-33-08 Laundry Facilities.

Effective: January 1, 2017

---

(A) To comply with minimum standards of habitability:

(1) Laundry facilities for the use of all occupants shall be provided with the following:

(a) A supply of hot and cold running water;

(b) A roof over the laundry area;

(c) Floors constructed of impervious materials and sloped to a floor drain;

(d) Laundry tubs in the ratio of one per twenty-five occupants. Mechanical washers may be provided in lieu of laundry tubs, in the ratio of one per fifty occupants. Although, a minimum of one laundry tub shall be provided in addition to the mechanical washers; and

(e) Facilities for drying clothes.

(2) In camps constructed or substantially altered after April 2, 1985, laundry facilities shall be located in a building with a floor that is constructed of impervious materials and sloped to a floor drain.

(B) To comply with the voluntary standards of habitability:

(1) Mechanical washers shall be provided in the ratio of one per twenty five occupants; and

(2) Laundry facilities shall be located in a building with a floor that is constructed of impervious materials and is sloped to a floor drain.
