

Ohio Administrative Code Rule 3701-33-11 Toilet facilities.

Effective: January 1, 2017

(A) Individual solid waste containers shall be provided for each housing unit. These containers shall have a minimum capacity of thirty-two gallons and shall be durable, rust resistant, impervious to moisture, watertight, easily cleanable and covered with a tight fitting lid to prevent the entrance of rats and other pests.

(B) Bulk-type solid waste containers, which may be substituted for individual solid waste containers, shall be located within one hundred feet of any dwelling and emptied at least weekly.

(C) Bulk items or construction and demolition materials shall be disposed of in accordance with section 3734.05 of the Revised Code and the rules adopted thereunder.
