- (B) A vendor shall permit participants the option to select part or all of the available quantities, sizes, and types of authorized food contained on the WIC nutrition card.
- (C) A vendor shall offer participants the same courtesies extended to other customers, including but not limited to: providing a sales receipt and accepting store and manufacturer coupons, discount cards, or other discounts offered. However, vendors may not provide participants incentive items, vendor discounts, coupons or other promotions that are not offered to non-WIC customers.
- (D) A vendor shall accept valid WIC nutrition cards presented by a participant and shall:
- (1) Deduct the value of any manufacturer or store coupons, discount cards, or other discounts offered from the total before requesting participant to approve the transaction;
 - (2) Be responsible for all WIC nutrition card benefits accepted or processed for payment by current and former employees or agents of the vendor. The vendor shall be responsible for the accuracy of any information submitted to the department by those employees or agents including any person or persons operating the store under a management agreement;
 - (3) Ensure the department is not charged more than the marked or posted prices and is not charged more than non-WIC customers for authorized foods;
 - (4) Provide all participants with benefit receipts generated at the time of the WIC transaction; and
 - (5) Return to the local WIC agency within twenty-four hours any WIC nutrition card found at the location.

(E) A vendor shall comply with all of the following:

(1) All federal and state laws, rules, and regulations governing the WIC program, including section 17 of the "Child Nutrition Act of 1966," 80 Stat. 885, 42 U.S.C. 1786, (in effect January 7, 2011), pertinent federal regulations for the WIC program including 7 C.F.R. part 246, (in effect January 1, 2011) and this chapter;

(3) All federal, state and local criminal laws either felony or misdemeanor.

(F) The department or its designee may conduct announced and unannounced inspections of a vendor's or applicant's location at any time during business hours, as stated on the application, to determine compliance with WIC program requirements. The department or its designee may confiscate WIC nutrition cards in the possession of the location. The vendor must grant access to WIC program staff during the hours of operation specified on the vendor application. A vendor shall maintain all original records of purchases, gross sales receipts, state and federal income tax documents, and invoices for all authorized supplemental foods for a period of not less than three years after the end of each federal fiscal year while contracted, and upon request, shall make available the records to the department and FNS. If any litigation, claim, negotiation, audit, or other action involving the records has begun during the three-year period, the vendor shall keep the records until all issues are resolved.
