

## Ohio Administrative Code Rule 3701:1-49-08 Physical inventory.

Effective: June 23, 2017

---

Each licensee shall conduct a physical inventory to account for all licensed material received and possessed under the license at intervals not to exceed six months. The licensee shall retain records of the inventory for three years from the date of the inventory for inspection by the director. The inventory must indicate the quantity and kind of licensed material, the location of the licensed material, the date of the inventory, and the name of the individual conducting the inventory. Physical inventory records may be combined with leak test records.
