

Ohio Administrative Code

Rule 3701:1-50-10 General license: use of foreign approved package.

Effective: February 15, 2021

(A) A general license is issued to any Ohio licensee to transport, or to deliver to a carrier for transport, licensed material in a package the design of which has been approved in a foreign national competent authority certificate that has been revalidated by DOT as meeting applicable requirements of 49 C.F.R. 171.23 (as in effect on the effective date of this rule).

(B) Except as otherwise provided in this chapter, the general license applies only to a Ohio licensee who has a quality assurance program approved by the director as satisfying the applicable provisions of this chapter.

(C) This general license applies to only shipments made to or from locations outside the United States.

(D) Each licensee issued a general license under paragraph (A) of this rule shall:

(1) Maintain a copy of the applicable certificate, the revalidation, and the drawings and other documents referenced in the certificate, relating to the use and maintenance of the packaging and to the actions to be taken before shipment; and

(2) Comply with the terms and conditions of the certificate and revalidation, and with the applicable requirements of this chapter.
