

## Ohio Administrative Code

### Rule 3701:1-56-01 Purpose.

Effective: October 8, 2007

---

(A) This chapter establishes procedures and criteria for the issuance of licenses to receive title to, own, acquire, deliver, receive, possess, use, and transfer special nuclear material in quantities less than critical mass, and establishes and provides for the terms and conditions upon which the director will issue such licenses.

(B) Except as provided in rules 3701:1-56-14 and 3701:1-56-15 of the Administrative Code, the rules in this chapter apply to all persons in the State of Ohio.
