

Ohio Administrative Code

Rule 3701:1-58-44 Surveys after source implant and removal.

Effective: August 15, 2005

(A) The licensee shall make a survey to locate and account for all sources that have not been implanted immediately after implanting sources in a patient or a human research subject.

(B) The licensee shall make a survey of the patient or the human research subject with a radiation detection survey instrument to confirm that all sources have been removed immediately after removing the last temporary implant source from a patient or a human research subject.

(C) A licensee shall retain a record of the surveys required by paragraphs (A) and (B) of this rule in accordance with rule 3701:1-58-87 of the Administrative Code.
