

Ohio Administrative Code

Rule 3701:1-58-73 Records of authority and responsibilities for radiation protection programs.

Effective: August 15, 2021

(A) A licensee shall retain a record of actions taken by the licensee's management in accordance with paragraph (A) of rule 3701:1-58-12 of the Administrative Code for five years. The record must include a summary of the actions taken and a signature of licensee management.

(B) The licensee shall retain a record of the authority, duties, and responsibilities of the radiation safety officer as required by paragraph (E) of rule 3701:1-58-12 of the Administrative Code, and a signed copy of each radiation safety officer's agreement to be responsible for implementing the radiation safety program, as required by paragraph (B) of rule 3701:1-58-12 of the Administrative Code, for the duration of the license. The records must include the signature of the radiation safety officer and licensee management.

(C) For each associate radiation safety officer appointed under paragraph (B) of rule 3701:1-58-12 of the Administrative Code, the licensee shall retain, for five years after the associate radiation safety officer is removed from the license, a copy of the written document appointing the associate radiation safety officer signed by the licensee's management.
