

## Ohio Administrative Code Rule 3706-4-02 Purpose and Scope.

Effective: January 2, 2020

---

(A) This chapter addresses the implementation of the qualifying nuclear and renewable resource program, as detailed in sections 3706.40 to 3706.65 of the Revised Code.

(B) The Ohio air quality development authority may waive any requirement of this chapter, other than a requirement mandated by statute, for good cause shown.
