

Ohio Administrative Code Rule 3706-4-04 Application Approval.

Effective: January 2, 2020

(A) After receiving an application under section 3706.41 of the Revised Code, the Ohio air quality development authority shall review and approve the application, not later than March 31, 2020, if all of the following apply:

(1) The resource meets the definition of a qualifying nuclear resource or qualifying renewable resource in section 3706.40 of the Revised Code.

(2) For a qualifying nuclear resource only, both of the following apply:

(a) The application meets the requirements of section 3706.41 of the Revised Code; and

(b) The resource's operator maintains both a principal place of business in this state and a substantial presence in this state with regard to its business operations, offices, and transactions.
