[Comment: For dates and availability of non-regulatory government publications, publications of recognized organizations and associations, federal rules, and federal statutory provisions referenced in this rule, see paragraph (AA) of rule 3745-103-01 of the Administrative Code titled "Referenced materials."]

- (A) This rule governs revisions to any acid rain permit issued by the director and the acid rain portion of any operating permit issued by the director.
- (B) Notwithstanding the operating permit revision procedures specified in 40 CFR Parts 70 and 71 and rule 3745-77-08 of the Administrative Code, the provisions of this rule and rules 3745-103-14 and 3745-103-16 to 3745-103-20 of the Administrative Code govern revision of any acid rain program permit provision.
- (C) The terms of the existing acid rain permit apply while the permit revision is pending, except as provided in rule 3745-103-18 of the Administrative Code for administrative permit amendments.
- (D) The standard requirements of rule 3745-103-05 of the Administrative Code will not be modified or voided by a permit revision.
- (E) Any permit revision involving incorporation of a compliance option that was not submitted for approval and comment during the permit issuance process, or involving a change in a compliance option that was previously submitted, shall meet the requirements for applying for such compliance option under rules 3745-103-22 to 3745-103-66 of the Administrative Code.
- (F) Any designated representative who fails to submit any relevant information or who has submitted incorrect information in a permit revision shall, upon becoming aware of such failure or incorrect submittal, promptly submit such supplementary information or corrected information to the director.
