

## Ohio Administrative Code

### Rule 3745-103-25 Opt-in designated representative.

Effective: [September 25, 2023](#)

---

(A) The provisions of rule 3745-103-06 of the Administrative Code apply to the designated representative of an opt-in source.

(B) If a combustion or process source is located at the same facility as one or more affected units, the combustion or process source shall have the same designated representative as the other affected units at the facility.
