

Ohio Administrative Code Rule 3745-19-01 Definitions.

Effective: April 30, 2018

As used in this chapter:

(A) "Agricultural waste" means any waste material generated by crop, horticultural, or livestock production practices, and includes such items as woody debris and plant matter from stream flooding, bags, cartons, structural materials, and landscape wastes that are generated in agricultural activities, but does not include land clearing waste; buildings (including dismantled/fallen barns); garbage; dead animals; animal waste; motor vehicles and parts thereof; nor economic poisons and containers thereof, unless the manufacturer has identified open burning as a safe disposal procedure.

(B) "Air curtain burner" means an engineered apparatus consisting of a motorized high-velocity fan and an air distribution system designed to aid in the efficient combustion of materials placed in a manufactured steel structure and for which a permit-to-install has been obtained as required in Chapter 3745-31 of the Administrative Code and a permit-to-operate has been obtained as required in Chapter 3745-77 of the Administrative Code.

(C) "Air curtain destructor" means an engineered apparatus consisting of a motorized high-velocity fan and an air distribution system designed to aid in the efficient combustion of materials placed in an adjacent pit. An air curtain burner may be used in place of an air curtain destructor, but an air curtain destructor may not be used in place of an air curtain burner.

(D) "Building materials" means those materials resulting from the alteration, construction, destruction, rehabilitation, or repair of any manmade physical structure, including, without limitation, houses, buildings, industrial or commercial facilities, or roadways.

(E) "Economic poisons" include but are not restricted to pesticides such as insecticides, fungicides, rodenticides, miticides, nematocides and fumigants; herbicides; seed disinfectants; and defoliant.

(F) "Emergency burning" means the burning of clean wood waste or deceased animals caused by a natural disaster or an uncontrolled event such as the following:

(1) A tornado.

(2) High winds.

(3) An earthquake.

(4) An explosion.

(5) A flood.

(6) A hail storm, a rain storm, or an ice storm.

(G) "Garbage" means any waste material resulting from the handling, processing, preparation, cooking and consumption of food or food products.

(H) "Inhabited building" means any inhabited private dwelling house and any public structure which may be used as a place of resort, assembly, education, entertainment, lodging, trade, manufacture, repair, storage, traffic, or occupancy by the public. Examples would include, but are not limited to, highway rest stops, restaurants, motels, hotels and gas stations.

(I) "Landscape waste" means any plant waste material, except garbage, including trees, tree trimmings, branches, stumps, brush, weeds, leaves, grass, shrubbery, yard trimmings, and crop residues.

(J) "Land clearing waste" means plant waste material which is removed from land, including plant waste material removed from stream banks during projects involving more than one property owner, for the purpose of rendering the land useful for residential, commercial, or industrial development. Land clearing waste also includes the plant waste material generated during the clearing of land for new agricultural development.

(K) "Ohio EPA" means the Ohio environmental protection agency director or agencies delegated authority by the director of the Ohio environmental protection agency pursuant to section 3704.03 of the Revised Code or the chief of any Ohio environmental protection agency district office.

(L) "Open burning" means the burning of any materials wherein air contaminants resulting from combustion are emitted directly into the ambient air without passing through a stack or chimney. Open burning includes the burning of any refuse or salvageable material in any device not subject to or designed specifically to comply with the requirements of rule 3745-17-09 or 3745-17-10 of the Administrative Code.

(M) "Residential waste" means any waste material, including landscape waste, generated on the property of a one-, two- or three-family residence as a result of residential activities, but not including garbage, rubber, grease, asphalt, liquid petroleum products, or plastics.

(N) "Restricted area" means the following:

(1) Except as provided in paragraph (N)(2) of this rule, the area within the boundary of any municipal corporation established in accordance with the provisions of Title 7 of the Revised Code, plus a zone extending one thousand feet beyond the boundaries of any such municipal corporation having a population of one thousand to ten thousand persons and a zone extending one mile beyond any such municipal corporation having a population of ten thousand persons or more according to the latest federal census.

(2) "Restricted area" shall not include any municipal corporation the territory of which is located on an island in Lake Erie except that, during the yearly period between Memorial Day and Labor Day, any such municipal corporation shall be required to comply with the requirements of rule 3745-19-03 of the Administrative Code.

(O) "Unrestricted area" means all areas outside the boundaries of a restricted area as defined in paragraph (N) of this rule.
