

Ohio Administrative Code Rule 3745-266-235 Treatment of LLMW.

Effective: December 7, 2004

What waste treatment does the storage and treatment conditional exemption allow? You may treat your LLMW at your facility within a tank or container in accordance with the terms of your NRC or NRC agreement state license. Treatment that cannot be done in a tank or container without an Ohio hazardous waste permit (such as incineration) is not allowed under this exemption.
