

Ohio Administrative Code

Rule 3745-273-11 Prohibitions - standards for small quantity handlers of universal waste.

Effective: [September 2, 1997](#)

A small quantity handler of universal waste is:

(A) Prohibited from disposing of universal waste; and

(B) Prohibited from diluting or treating universal waste, except:

(1) By responding to releases as provided in rule 3745-273-17 of the Administrative Code; or

(2) By managing specific wastes as provided in rule 3745-273-13 of the Administrative Code.
