

Ohio Administrative Code Rule 3745-30-02 Applicability.

Effective: [May 28, 2021](#)

(A) This chapter is applicable to a sanitary landfill facility that meets the definition of an industrial landfill facility or a residual landfill facility.

(B) This chapter is applicable to any person who establishes or is the owner or operator of an industrial landfill facility or a residual landfill facility.

(C) In addition to the rules made applicable by reference in this chapter, rule 3745-27-04 of the Administrative Code also applies.

(D) Chapter 3745-501 of the Administrative Code, which pertains to licensing, and Chapter 3745-502 of the Administrative Code which pertains to solid waste fees, are applicable to any person who establishes or operates an industrial landfill facility or a residual landfill facility.

(E) This chapter is not applicable to spent foundry sand, fly ash, and bottom ash that has been determined to be nontoxic by the Ohio environmental protection agency, or to any facility which exclusively disposes of such wastes.

(F) This chapter is not applicable to the beneficial use of coal-combustion waste materials authorized under section 1513.02 of the Revised Code.

(G) This chapter is not applicable to the beneficial use of lime mining wastes authorized under section 1514.081 of the Revised Code.

(H) This chapter is not applicable to the beneficial use of IMW authorized pursuant to Chapter 3745-599 of the Administrative Code.
