

Ohio Administrative Code

Rule 3745-47-09 Notice of water permit applications to government agencies.

Effective: April 2, 2012

(A) An adjudication hearing may be continued or postponed by the hearing examiner upon the hearing examiner's own motion, or upon the hearing examiner's determination that the written motion of any party shows good cause.

(B) Before granting any continuance, the hearing examiner shall consider any harm to public welfare or the environment which may result from delay in the adjudication proceeding.
