

Ohio Administrative Code

Rule 3745-50-250 General information about standardized permits - storage units and treatment units.

Effective: [March 7, 2025](#)

(A) A standardized permit is a special type of permit that authorizes owners and operators to manage hazardous waste. A standardized permit is issued under rules 3745-50-250 to 3745-50-320 and 3745-50-700 to 3745-50-711 of the Administrative Code.

(B) Eligibility for a standardized permit.

(1) Owners or operators may be eligible for a standardized permit if:

(a) An owner or operator may be eligible for a standardized permit if the owner or operator generates hazardous waste and then stores or non-thermally treats the hazardous waste on-site in containers, tanks, or containment buildings; or

(b) Receives hazardous waste generated off-site by a generator under the same ownership as the receiving facility, and then stores or non-thermally treats the hazardous waste in containers, tanks, or containment buildings.

(c) Ohio EPA will inform the owners or operators of the owner's or operator's eligibility for a standardized permit when Ohio EPA makes a decision on the permit application.

(2) [Reserved.]

(C) The following provisions of Chapter 3745-50 of the Administrative Code and sections of 40 CFR Part 270 apply to a standardized permit:
