Rule 3745-50-67 Hazardous waste standardized permits for storage units and treatment units.

Effective: [March 7, 2025](#)

Hazardous waste standardized permits are specialforms of permits for treatment, storage, and disposal facility owners or operators that:

(A) Generate hazardous waste and then non-thermally treat or store the hazardous waste on-site in tanks, containers, or containment buildings; or

(B) Receive hazardous waste generated off-site by a generator under the same ownership as the receiving facility, and then store or non-thermally treat the hazardous waste in containers, tanks, or containment buildings. Standardized permit facility owners or operators are regulated under rules 3745-50-250 to 3745-50-320, 3745-50-700 to 3745-50-711, and Chapter 3745-267 of the Administrative Code.
