

Ohio Administrative Code

Rule 3745-500-210 Variances for solid waste facilities.

Effective: April 6, 2025

(A) An applicant submitting an application for a variance for a solid waste facility, infectious waste treatment facility, or infectious waste generator shall complete the application on forms prescribed by the director and at a minimum include the following:

- (1) The provision or provisions of the state law for which the variance is requested.
- (2) Detailed plans and specifications applicable to the variance request.
- (3) Information regarding the objectives, procedures, and controls applicable to the variance request.
- (4) Information regarding the reason and justification for the variance.
- (5) Any other pertinent information and data regarding the application required by the director.
- (6) A certification statement and signature in accordance with rule 3745-500-50 of the Administrative Code.

(B) The director shall issue, renew, modify, revoke, suspend, rescind, or deny a variance for a solid waste facility in accordance with section 3734.02 of the Revised Code.

(C) The director shall issue, renew, modify, revoke, suspend, rescind, or deny a variance for an infectious waste treatment facility or an infectious waste generator in accordance with division (F) of section 3734.021 of the Revised Code.

(D) When issuing or renewing a variance in accordance with this rule, the director shall act in accordance with Chapters 119., 3734., and 3745. of the Revised Code, as applicable.
