

Ohio Administrative Code

Rule 3745-52-263 Amendment of contingency plan - preparedness, prevention, and emergency procedures for large quantity generators.

Effective: October 5, 2020

The contingency plan shall be reviewed, and immediately amended if necessary, when any of the following occur:

- (A) Applicable regulations are revised.
 - (B) The contingency plan fails in an emergency.
 - (C) The generator facility changes - in the generator facility's design, construction, operation, maintenance, or other circumstances - in a way that materially increases the potential for fires, explosions, or releases of hazardous waste or hazardous waste constituents, or changes the response necessary in an emergency.
 - (D) The list of emergency coordinators changes.
 - (E) The list of emergency equipment changes.
-
