

Ohio Administrative Code

Rule 3745-525-10 Relationships among authorizing documents, rules, and the authority of the director.

Effective: [October 1, 2026](#)

- (A) When direct conflict occurs between a requirement of this chapter and a permit to install or a permit to install and operate issued pursuant to this chapter approved prior to the establishment of that requirement in the rules, the owner or operator shall comply with the permit until the obligation in the permit ceases. After the obligation ceases, the owner or operator shall comply with the rules.
- (B) When a direct conflict occurs between a requirement of this chapter and an order issued by the director, or court having competent jurisdiction prior to the establishment of that requirement in the rules, the owner or operator shall comply with the order until the order is terminated or until the obligation in the order ceases. After the obligation in the order has ceased, the owner or operator shall comply with the rules.
- (C) Nothing in this chapter is intended nor construed to limit or infringe upon any authority granted by statute to the director including but not limited to issuing orders, conducting inspections, and enforcing the standards and requirements of statutes and rules adopted thereunder.
