

Ohio Administrative Code

Rule 3745-525-300 CCR unit permit to install and operate.

Effective: October 1, 2026

(A) Applicability.

- (1) Not later than one hundred and eighty days after the United States environmental protection agency authorizes Ohio to administer the CCR permit program, the owner or operator of a CCR unit shall submit an application for a permit to install and operate pursuant to this chapter.
- (2) Prior to installation of a proposed new unit, an application for a permit to install and operate shall be submitted by the owner or operator and approved by the director.
- (3) Prior to making a major modification, an application for a permit to install and operate shall be submitted by the owner or operator and approved by the director.

(B) Permit application process.

- (1) An application for a permit to install and operate shall be accompanied by a nonrefundable application fee in the amount of five thousand dollars established pursuant to section 3745.014 of the Revised Code.
- (2) An application for a permit to install and operate shall contain the information specified in rule 3745-525-310 of the Administrative Code.
- (3) In accordance with Chapter 4733. of the Revised Code, documents included in the application for a permit to install and operate entailing the practice of engineering shall be signed and sealed by a professional engineer registered in Ohio.
- (4) The application for a permit to install and operate and any subsequent revisions to the application shall be submitted electronically to Ohio EPA and include the following statement signed by the owner or operator or an authorized representative:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted in this application and all attached documents, and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment."

- (5) Any revisions to the application for a permit to install and operate shall be accompanied by an index listing the changes and the pages where the changes occurred.
