

Ohio Administrative Code

Rule 3745-525-370 Transfer of a permit to install and operate for a CCR unit.

Effective: [October 1, 2026](#)

(A) Permits to install and operate are transferrable.

(B) The new owner and operator shall submit a revised permit application in accordance with rule 3745-525-340 of the Administrative Code thirty days prior to the transfer of ownership or operational control or as soon as practicable. If prior notice is impracticable, the revised permit application shall be submitted not later than thirty days after the transfer of ownership or operational control. The transferee shall be responsible for informing Ohio EPA that the transferee will assume the responsibilities of the permittee transferor. The director may deny the transfer of the permit to install and operate if the director concludes that the transferee does not meet the approval criteria in paragraph (C) of rule 3745-525-315 of the Administrative Code.
