

Ohio Administrative Code

Rule 3745-560-315 Record keeping requirements for class III composting facilities.

Effective: December 1, 2025

(A) Record retention and availability. The owner or operator shall do the following:

- (1) Maintain records specified in this rule for a period of at least three years.
- (2) Have records available for inspection by the approved health district or Ohio EPA during normal operating hours.
- (3) Upon request, submit records to Ohio EPA or the approved health district.

(B) Log of operation. The owner or operator shall do the following:

- (1) Record the facility operations on the log of operation forms as specified in rule 3745-560-04 of the Administrative Code.
- (2) Complete the log of operation at a minimum once per week unless the owner or operator has received written concurrence for an alternative frequency from Ohio EPA or the approved health district.
- (3) Complete the log of operation more often than weekly if conditions warrant a higher frequency of completion in order to effectively monitor operations at the composting facility, or when ordered by Ohio EPA or the approved health district.

(C) Annual report. Not later than February first of each year, the owner or operator shall submit to Ohio EPA the following:

- (1) An annual report that includes the information specified in rule 3745-560-04 of the Administrative Code.

(2) A notice of intent to continue the existing class III composting facility registration.
