

Ohio Administrative Code

Rule 3745-580-125 Closure of a registered scrap tire transporter.

Effective: June 30, 2023

(A) A scrap tire transporter shall begin closure activities if any of the following occur:

(1) The scrap tire transporter registration certificate expires and the scrap tire transporter does not apply for a renewal of the scrap tire transporter registration certificate.

(2) The scrap tire transporter notifies the director in writing that the scrap tire transporter will no longer be transporting scrap tires.

(3) The scrap tire transporter registration certificate has been denied or revoked as a final action of the director.

(B) Not later than thirty days after any closure is triggered in accordance with paragraph (A) of this rule, the scrap tire transporter shall complete the following closure activities:

(1) Notify all customers by certified mail or any other form of mail accompanied by a receipt that the scrap tire transporter is no longer transporting scrap tires.

(2) Deliver all accumulated scrap tires to one or more of the locations specified in paragraph (A)(1) of rule 3745-580-110 of the Administrative Code.

(3) Return the most recently issued scrap tire transporter registration certificates and decals by certified mail or any other form of mail accompanied by a receipt to Ohio EPA.

(4) Submit a final annual report to Ohio EPA that includes the information specified in rule 3745-580-115 of the Administrative Code.

(C) Closure certification. Not later than thirty days after completing the closure requirements contained in paragraph (B) of this rule, the owner or operator shall submit a written closure
